## **Drop off and pickup guidelines**

Dear Parent,

There is a lot of chaos caused due to undisciplined parking during pickup and drop at school, this behavior causes inconvenience and increases the risk of accidents. In order to provide a safe environment for students and to alleviate traffic congestion during pickup and drop of your ward you are requested to kindly follow the instructions:

### **NO PARKING OUTSIDE SCHOOL GATE:**

- Vehicles should not be parked in front of the school gates, this includes two wheelers, vans, cars & auto rickshaws.
- Double and Triple parking of vehicles is not be permitted.
- Parents dropping their wards in cars / two wheelers should park the vehicle and walk their child to the school rather than parking outside the gate and holding up the traffic.
- The noise pollution caused by honking needs to be avoided especially near school building.
- Our security staff/ school personal will be monitoring daily dispersal. Please listen to their instructions and do not get into any argument. Kindly ensure to co-operate with school security team and interact with them with a respectful

attitude, after all the intention behind all this is student safety.

### **PRIVATE VANS:**

The school does not support private van / auto rickshaw services and will not be responsible for any issues with regards to the same. These vehicles are overloaded and driven recklessly which may lead to mishaps and untoward incidents. The unauthorized and illegal private vehicles are not complying with any RTO rules and regulations thereby causing serious concern for the safety of the School student.

Following are some of the RTO norms which private unauthorized service provider do not follow:

- Vehicle – school bus / school van is not according to the norms
- Overloading
- School bus / van operation permit
- No fire extinguisher / first aid kit in the vehicles
- Police verification and background check of drivers is not done.
- No lady attendant in the vehicle
- Run on gas etc.

These guidelines are meant for you and your child's safety. Requesting you to co-operate in streamlining the traffic congestion problem and improve the traffic situation outside the school gate; this will be in the interest and safety of our students.

Regards,  
CIS Team.
